MIXOLOGY

THE NEW GOLDEN AGE OF COCKTAIL MAKING

Between history and culture, from Prohibition to exotic mixtures of avant-garde, emerges Mixology, the art of mixing where nothing is left to chance.
Luigi Bormioli embarked upon this new adventure with a collection of luxury Barware and Cocktail making equipment, created in collaboration with Yuri Gelmini, head barman of the Surfer's Den in Milan and Futurist Mixologist. The study and the search for new elements, expert hands which know how to mix and fine-tune new flavours, everything is left to the taste and the imagination of Futurist Mixologist Yuri Gelmini, and leads to forms of creativity and aesthetic expression thanks to both technical means and his ability deriving from study and experience in this field.

Tra storia e cultura, dal Proibizionismo a miscele esotiche d'avanguardia, nasce Mixology l'arte della miscelazione dove nulla è lasciato al caso.
Luigi Bormioli intraprende questa nuova avventura con una collezione di Barware & Cocktail making equipment di elevata qualità realizzata in collaborazione con Yuri Gelmini, Head Barman del Surfer's Den di Milano e Mixologist Futurista. Lo studio e la ricerca di nuovi elementi, mani esperte che sanno come miscelare e calibrare nuovi sapori, tutto è lasciato al gusto e alla fantasia del Mixologist Futurista Yuri Gelmini, e porta a forme di creatività ed espressione estetica grazie sia ad accorgimenti tecnici che alla sua abilità derivante da studio ed esperienza in questo campo.
